Humira and Biosimilars for Humira Drug List

Select FDA-approved specialty medications

Available biosimilars

Drug name / Manufacturer	FDA-Approved Indication(s)	Administration Route / Concentration	Dosages / Device Type	Prescription written for	Pharmacy to dispense
Idacio (adalimumab-aacf) Manufacturer: <ul style="list-style-type: none"> Fresenius Kabi 	<ul style="list-style-type: none"> AS CD (6+) HS PJIA (2+) PsA PsO RA UC UV 	SC injection: <ul style="list-style-type: none"> Self-administered Concentration: <ul style="list-style-type: none"> Low (citrate-free) 	SC: <ul style="list-style-type: none"> 40 mg/0.8 mL PEN 40 mg/0.8 mL PFS 	Idacio or adalimumab-aacf	Idacio (brand) or adalimumab-aacf (unbranded) dispensed based on prescription benefits plan
Yuflyma (adalimumab-aaty) Manufacturer: <ul style="list-style-type: none"> Celltrion 	<ul style="list-style-type: none"> AS CD (6+) HS PJIA (2+) PsA PsO RA UC UV 	SC injection: <ul style="list-style-type: none"> Self-administered Concentration: <ul style="list-style-type: none"> High (citrate-free) 	SC: <ul style="list-style-type: none"> 40 mg/0.4 mL PFS 40 mg/0.4 mL PEN 80 mg/0.8 mL PEN 	Yuflyma or adalimumab-aaty	Yuflyma

Low Concentration 50mg/mL concentration (ex: 40mg/0.8mL); High Concentration 100 mg/mL concentration (ex: 40 mg/0.4 mL)

Select common adverse reactions include infections (e.g., upper respiratory, sinusitis), injection site reactions, headache and rash.

Biosimilars come in branded and unbranded products. Since branded and unbranded biosimilars share the same biologics license application (BLA), they may be changed with the corresponding unbranded or branded biosimilar as deemed by the prescription benefit plan.

Due to patent exclusivity (subject to change), biosimilars for Humira are not yet approved for these indications: Hidradenitis suppurativa in pediatrics 12–17 years; Uveitis in pediatrics aged 2 and older; and Ulcerative colitis in pediatrics 5–17 years.

FDA (U.S. Food and Drug Administration). SC (Subcutaneous). PFS (Prefilled syringe). AS (Ankylosing spondylitis). CD (Crohn's disease). HS (Hidradenitis Suppurativa). PJIA (Polyarticular juvenile idiopathic arthritis). PsA (Psoriatic arthritis). PsO (Plaque psoriasis). RA (Rheumatoid arthritis). UC (Ulcerative colitis). UV (Uveitis).

The information contained in this communication is provided in summary form. It is not intended for use as the sole basis of clinical treatment, as a substitute for reading the original research, nor as a substitute for the knowledge, skill, and judgment of the medical provider. This list is subject to change. This document contains references to brand-name prescription drugs that are trademarks or registered trademarks of pharmaceutical manufacturers that are not affiliated with CVS Specialty.
