

# CVS Specialty® Pharmacy Distribution Drug List

Providing one of the broadest offerings of specialty pharmaceuticals in the industry

The **CVS Specialty Pharmacy Distribution Drug List** is a guide of medications distributed through CVS Specialty. Our goal is to help make your life better. With more than 40 years of experience, CVS Specialty provides quality care and service. We have a network of pharmacies that includes those with Joint Commission and URAC accreditation. The Joint Commission and URAC are nationally-recognized symbols of quality that reflect an organization's commitment to meet high standards of quality and safety. This list represents brand-name products in CAPS and generic products in lowercase *italics*.

**Please note:** If you are a plan member or a health care provider, please visit [CVSspecialty.com](http://CVSspecialty.com), fax 1-800-323-2445 or call 1-800-237-2767 for specific information regarding medications available through CVS Specialty. e-Prescribe specialty prescription(s) to CVS Specialty Pharmacy.

THERAPY CLASS	BRAND NAME *Limited Distribution	GENERIC NAME

Specialty and non-specialty products distributed by CVS Specialty, as well as products covered by a member's prescription or medical benefit plan, may change from time to time. In addition, a member's specific benefit plan design may not cover certain products or categories, regardless of their appearance on this document.

\*Indicates Limited Distribution products distributed by CVS Specialty or one of its affiliates, including Coram® CVS Specialty Infusion Services.

Call CVS Specialty at 1-800-237-2767 for specific medications available through CVS Specialty. This document contains confidential and proprietary information of CVS Specialty and may not be reproduced, distributed or printed without written permission from CVS Specialty. Listing is subject to change. This document contains references to brand-name prescription drugs that are trademarks or registered trademarks of pharmaceutical manufacturers not affiliated with CVS Specialty.

Fax: 1-800-323-2445; e-Prescribe: CVS Specialty Pharmacy.
